CNA-2 DAY CLASS SCHEDULE

Course # A17210D
 Classroom: 205
Class/Lab Instructor:
 Maureen Uhlmeyer, RN, BSN

1st Day Reading assignment:
 OSBN booklet; *Nursing Assistant in Oregon*, read Conduct Unbecoming pgs. 19-22.

PER THE OSBN REGULATIONS ON THIS CLASS:
This is a self-study program. Some information may not be covered in class. It is the students' responsibility to take notes, read and study their workbook, and utilize resources. Students are actively involved in lab and clinical settings, which are graded on a pass/fail basis. Clinical requirements are regulated by the board of nursing.

*Check-in begins at 7:00am. All students must check in for class on the first day and be in the classroom on time. If you have business in the office; payments or fees, books to purchase etc. please allow for this as makeup time is your responsibility.

Program Information:

Please **dress in scrubs** and bring to class all materials on the program requirements checklist, including your textbook and the booklet from the OSBN - *Being a Nursing Assistant in Oregon*. Also, please bring a lunch. Refrigerators and microwaves are located in the student lounge and provided for your convenience.

Clinical Information: No student will be allowed to go into the clinical setting if they have makeup time in the class or lab portion of the program; or, if they have not passed the final written exam with at least an 80% score; or if the CPR card, two-step TB test, immunization record including MMR, Hep. B, Tdap, Varicella (or history of chicken pox) and a current Flu vaccine; or, if the drug screening report and criminal history report are not in the student record.

All required clinical items (see above under clinical information) must be completed and delivered to the school two (2) business days prior to the first day of class. If all clinical required items are not handed in on time, clinical placement may be affected and the student may not have a clinical spot. These items are required by laws from the Oregon Health Authority.
