CNA-2 DAY CLASS SCHEDULE

Course # A17212D
 Classroom: 205
Class/Lab Instructor:
 Maureen Uhlmeier, RN, BSN

1st Day Reading assignment:
 OSBN booklet; *Nursing Assistant in Oregon*, read Conduct Unbecoming pgs. 19-22.

PER OSBN REGULATIONS ON CLASS:
This is a self-study program. Some information may not be covered in class. It is the students' responsibility to take notes, read and study their workbook, and utilize resources. Students are actively involved in lab and clinical settings, which are graded on a pass/fail basis. Clinical requirements are regulated by the OSBN and the Oregon Health Authority (OHA).

*First day check-in begins at 7:00am. All students must check in for class on the first day in the office and be in the classroom on time. If you have business in the office such as making payments, fees, books to purchase etc. please allow for this as makeup time is your responsibility.

Program Information:

Please **dress in scrubs** and bring to class all materials on the program requirements checklist, including your textbook and the booklet from the OSBN - *Being a Nursing Assistant in Oregon*. Also, please bring a lunch. Refrigerators and microwaves are located in the student lounge and provided for your convenience.

All required clinical items (see below under clinical requirements) must be completed and delivered to the school two (2) business days prior to the first day of class. If all clinical required items are not handed in on time, clinical placement may be affected and the student may not attend a clinical rotation until these items are taken care of. These items are required by law from the Oregon Health Authority.

Also required for attendance in the clinical rotation: All required time in the class and lab is completed per OSBN regulations. And, you have passed the final written exam (required minimum score for passing is 80%).

CNA-2 DAY CLINICAL SCHEDULE

Clinical Requirements: To attend the clinical rotation it is the student’s responsibility to provide the following information. Per the Oregon Health Authority no student will be allowed in the clinical setting until the school office has received and verified all documentation is accurate and give the required info.

The following is a list of the required items for clinical attendance:

1. You have provided the office with the correct BLS CPR card (American Heart Association BLS only)
2. A two-step TB test has been completed and all test results are verified by the office (if TB PPD is positive then a Quantiferon blood test or a chest x-ray with a negative test result is acceptable)
3. Drug screening is completed and the office has received the results
4. You have submitted your immunization record that includes:
 - i. MMR
 - ii. HEP. B
 - iii. TDAP
 - iv. Varicella (or history of chicken pox)
 - v. Current flu vaccine (during flu season)
