NA-1 WEEKEND CLASS SCHEDULE

Course # N20130W

Class Instructor: Lynda Margalit, RN

Classroom: 200

FIRST ASSIGNMENT:

Read chapters 1, 2, 3, 4, 5, 13, 25, and 30.

First Day check-in begins at 7:00am in your classroom. To make a payment or purchase equipment contact the office prior to the start of class.

Program Information:

- **Cloths or medical masks are required while on campus.** Wearing a mask is required while on campus at all times. We encourage all students to bring their own cloth or medical mask. You also must wear a mask while on breaks (unless you are eating), to go to the restrooms, or whenever you are walking around outside.
- Please wear neat, clean casual clothing during class and scrubs for labs. For dress code info please refer to the student policies. **Scrubs are required during lab days and in the clinical rotation.** Bring to class all materials on the program requirements checklist, including the booklet from the OSBN *Nursing Assistants in Oregon*.
- Please bring a lunch. You have only 30 minutes for lunch; if you leave for food and are not back on time, you will do makeup time to complete the class and proceed into the clinical rotation. We have microwaves and refrigerators for your convenience. We recommend that you do not go out during the break for food. If you are late returning you will have to do makeup time and this can affect your clinical attendance negatively.

Clinical Required Items:

All required items for clinical attendance must be completed and submitted to the office no later than 12:00pm (noon) on the day of the mid-term exam. If any of the clinical required items are not handed in on time, clinical placement will be affected and the student will not attend a clinical rotation until these items are taken care of. These items are required by law from the Oregon Health Authority.

The clinical required items are: AHA / BLS CPR card, negative TB test, and drug screening. The lab will send us the drug screening results. We recommend you get this done at least one week before class begins. All clinical required items must be approved and confirmed before you will be released for the clinical rotation. You must also pass the final exam and complete all time in the class and labs. Students will be informed by email when they are released for their clinical rotation.

Program Completion Information:

Upon completion of the program the student will be issued a certificate of training from the school. You will be notified by email when the certificate is ready to be picked up. Your certificate, application to test, and payment for testing will be submitted online to the OSBN. The OSBN will then notify you by email that you may schedule your fingerprints and your state board exam. A link for fingerprint scheduling is in the email from the OSBN. We are a regional testing site. You may self-schedule your OSBN exam.

CAREGIVER TRAINING INSTITUTE reserves the right to change class schedules at any time. Schedules are subject to revision based on school, instructor and facility availability. It is our policy to adhere to published schedules whenever possible, and we will make every effort to inform students enrolled school program of any changes as soon as possible.

75 Hour Total (Clinical)		

First Day INFO: All students will meet their instructors at the facility in the front reception area on the first day of clinical. **DO NOT BE LATE.** After the first day, you will meet in the designated area in the facility that is set up for students. Please pay attention to parking at the building. You must park where the facility requests, you may be asked to leave for the day and you may not be allowed to return if you do not follow the facility requests.

Program Information:

- Please dress in scrubs and bring your stethoscope, BP cuff and gait belt. Also, do NOT forget your name badge. It is a federal law that you must wear it at all times when you are in the facility.
- **Please bring a lunch.** You will have 30 mins only for a lunch break. There may not be a refrigerator available. Bringing food in an insulated lunch bag is advised.
- It is not recommended that you try to go out for your lunch due to the time constraint. If you leave to get food and do not get back in time you will be dismissed for the rest of the day and will have makeup time to do to complete the program.

Clinical Information:

- Clinical schedules are dependent upon instructor and facility availability and a maximum of 10 students only will be scheduled for a clinical rotation.
- Please review the clinical agreement form that you signed on the last day of class. It is found at the back of student handbook under the section: forms.
- Please read and review the section in OSBN Div. 63 of your yellow handbook titled: *Conduct Unbecoming of a Nursing Assistant* before going to the clinical setting.

Do not forget to sign up for the board prep class. It will help improve your ability to pass state board exams.
