Need help paying for your classes? Let us sponsor you!

Meadow Park is currently offering sponsorships to pay for your C.N.A. schooling. If you are looking to become a C.N.A. we will sponsor you and pay for the class. In return you make a commitment to work at Meadow Park for at least six months, although many choose to remain a part of the Meadow Park Team.

To qualify, call or visit Carrie at Meadow Park, she will walk you through the application process and explain what is needed from you to proceed. We will stay in contact with you throughout your classes for an easy transition into our team.

Meadow Park is a staple of the Columbia County community. We offer wages starting at \$17.00/hour or more depending on your experience, we offer healthcare, vision, dental and a 401k retirement plan. We are under new owners who are committed to the staff and residents of Meadow Park.
