## **MEDICATION AIDE (MA) FACULTY-LED PROGRAM**

Caregiver Training Institute invites you to enroll in the Medication Aide (MA) Faculty-led Program. Students will be actively involved in the classroom/labs with lecture, videos and skills lab time, and then complete the practicum in a nursing facility in the community. The MA Program is a total of 89 hours – 65 hours in the classroom/lab and 24 hours of one-on-one supervised training in a clinical setting. All labs are on-campus. A *Certificate of Completion* will be issued upon successful completion of the MA training program and students will be eligible to test for certification as a CMA in the State of Oregon.

### **Course Options**

The **MA Faculty-led Program** offers students the option of attending the didactic classroom portion of the program either in an on-campus classroom setting or in a virtual Zoom class setting. Classes are offered on evening and weekend schedules 4-5 times a year. **Students who elect to attend a MA Faculty-led Program virtual Zoom class must have a reliable computer or tablet with a microphone and camera, an internet connection, and an email address.**

### **Eligibility Criteria**

- **Must be at least 18 years of age**
- **Must be able to read, write and communicate in English fluently.**
- **Must be able to pass a criminal background check and drug screening.**
- **Students must certify they are free from contagious disease, physically and mentally fit, and be able to successfully participate in skills labs and clinicals.**
- **Must be listed on the OSBN registry as a CNA in good standing prior to attending class. NO EXCEPTIONS.** Students transferring from another state must wait until they are listed on the OSBN website as a CNA in good standing in Oregon to enroll in the MA program. The OSBN will accept your CNA certification as the evidence in support of you having completed NA-1 program.
- MA students must certify they are free from contagious disease, physically and mentally fit, and be able to successfully participate in skills labs and clinicals.
- MA students must complete an Online Information Session and submit a digital signature acknowledging they have viewed an CTI's Online Information Session and have received, understand, and agree to the information covered in the presentation.
- **Students must provide a LETTER FROM THEIR CURRENT OR A FORMER EMPLOYER, documenting they have at least six (6) months on-the-job experience, a minimum of 832 hours, in a paid position as a nursing assistant under the supervision of a nurse since the completion of their NA-1 training program.** If a MA student worked in an assisted living facility or a home care agency, the nurse must have supervised the student's work and written the care plans for the clients the student cared for.

### **Registration Deadline**

**REGISTRATION INTO A CLASS IS CLOSED FIVE (5) BUSINESS DAYS PRIOR TO THE FIRST DAY OF CLASS**

**Students must submit their completed registration packet and any required pre-registration prerequisite / eligibility documentation at least five (5) business days before the first day of class.**

- 
- View an Online MA Information Session and submit your digital signature** acknowledging you have viewed, received, understand, and agreed to the information covered in the presentation.

Revised 7/18/2022

- AHA BLS CPR Card:** Submit a current AHA BLS CPR card to the business office, or sign-up for CPR class at the school. **\$70.00/CTI AHA BLS CPR Class** (available for purchase at the school)
- Substance Abuse Screening: \$60.00** Drug screenings ONLY AVAILABLE through the school's service provider.
- Negative TB Screening:** Submit documentation of a current negative TB test via a QuantiFERON Gold blood test, T-SPOT blood test, TB Skin Test (PPD), and/or current Chest X-ray for TB.
- COVID-19 Vaccine:** Must be fully vaccinated (14 DAYS PAST LAST REQUIRED DOSE) against COVID-19.
- Immunization Documentation:** Documentation is NOT REQUIRED for students in the NA-1 training program. CTI has obtained exemptions from OHA regulations from clinical NA-1 training partners for the following immunization documentation: Hep B (Hepatitis B), MMR (measles, mumps & rubella), Tdap (tetanus, diphtheria & pertussis) and Varicella (chicken pox).
- Influenza (Flu):** Students MAY BE REQUIRED to obtain and provide documentation of current Influenza immunization when the injection is available during the flu season. Hospitals will notify the school of timeframe requirements.
